CLASS B – FLOWER PLANTER

Entry Day: Tuesday of Fair Week – checked in by 7:00pm

Judging Day: Tuesday after 7:00pm

Judging Location: Youth Building

- Each 4-H Club or FFA Chapter can design and plant a planter. There is no entry fee to enter a planter.
- The club will decide who will design and plant the planter. **Planters must contain at least 50% live plants.**
- Planter cannot weigh more than 50lbs. (23kg)
- The planter should be brought to the fair on Tuesday, before 7:00 pm to area marked by the Youth Building.
- **Club/Chapter name must displayed on the Planter other than the Exhibitor Tag.**

Note: Planters will be placed around the fairgrounds and be outside of buildings. Your entry tag will be removed at the time of judging and returned with comments to your General Leader.

- Planter must be watered and maintained throughout the county fair by your club or chapter.
- On Sunday **evening** the planter must be removed by the club/chapter and taken back to display in the community (example: town hall, retirement home, local businesses, etc).
- Planters judged on **creativity and originality**. Top Awards given by local sponsors.

Tips for Planters:

- * remember **NOT** to fill completely with dirt or it will be heavy (some ideas are lava stones or pinecones)
- * focus on the flowers and plant material in the planter you have received
- * keep extras to a minimum
- * plant the planters full so there is no soil showing from any side
- * plant similar color schemes
- * if you have planted all annuals, don't stick in just one perennial
- * cut any dead flowers or brown plant material out or replant it
- * try to have some height differences among the plants
